The life of a stray cat leaves much to be desired. You spend most of your time on the lookout for danger and searching for a place where you can feel safe enough to fall asleep, if only for a few moments. Then, there's the begging. Hunger is a constant companion. Sometimes you find a kind soul who'll take pity on you, so you beg at her door. She doesn't have much herself, but she'll share what she can. You may have to fight other strays for the few scraps that make their way out onto the porch. If you win, you won't go hungry that day. But, there are always more losers than winners. If you're really lucky, you'll end up at a shelter. You wait a while and then, you get adopted. Someone chooses you, to love, to care for, and finally, you're home. **Aidan** is a 2 year old tuxedo cat. His adoption fee is \$65.
