

BEHIND EVERY GREAT IPA IS ANOTHER

WIDMER BROTHERS
ROTATOR
IPA SERIES

WE LOVE IPAs - brewing them, drinking them, rethinking them. Widmer Brothers Rotator IPAs are limited-time runs of our favorite, experimental, boundary-breaking IPAs. Utterly unique and here today, gone tomorrow. Our latest, Shaddock IPA, builds off our X-114 IPA with an addition of grapefruit peel to accent the tropical notes of Citra hops.
