

GREG LIGGETT

Hometown: Nokesville, Va.

Major: Political theory (6th-year Ph.D. student)

What do you plan to do with your degree? Hopefully find a teaching job somewhere and be a professor — that's the standard route. The job market's bad though, I just read an article about how there are 5,000 janitors in the country with Ph.D.s. Scary.

What should the president's number one priority be? Oh. I think ending all of our wars of convenience, I'd say. Stop being so imperialistic.

What would a Mitt Romney presidency look like? It would look just as disastrous as the Obama presidency in terms of foreign policy and even worse on domestic policy because he would be less fiscally responsible than Obama.

Who is the "Black Mamba"?

Yeah, it's, um, Kenj — not Kenjon Barner ... De'Anthony Thomas. Yes.

Can you name a female student athlete? No. I can't. That's pathetic. I'm ashamed.

What's a good place to hang out with friends in Eugene if you're under 21? Oh, if you're under?! I have no idea. Day or night? You could walk along the river.
