HELLO! MY NAME IS

James R. Morris, M.D., Pain Management Specialist

www.oregonpainmanagement.com

The vision of a multidisciplinary consortium of healing arts professionals, specializing in pain management, has been my passion for over 25 years.

After graduating from U.C. Davis School of Medicine and completing my residency in Family Medicine at Oregon Health & Science University, I began my family practice in Cottage Grove in 1982. I enjoyed the small-town practice and the intimacies of family care. Within my family practice, I began to notice chronic pain as a theme and felt ill prepared to treat this condition. In 1990, I did a two-year fellowship at the Oregon Pain Center in Springfield, working with a multidisciplinary team that treated chronic pain. When this program was no longer funded and closed its doors, the various health professionals dispersed within Eugene. However, our joint dream of bringing the ultimate care to chronic pain patients was never far from our thoughts. In 1992, I opened a double practice in family medicine and pain management. Pain management became my focus and I served as president of the Pain Society of Oregon in 2000, which I helped establish.

In 2005, I formed Pain Management Partners, LLC, specializing in non-interventional medical treatment for intractable pain, and we moved into our present location at Willamette Medical Center, 2401 River Road in the Santa Clara Square. Axis Physical Therapy & Rehabilitation, Inc. and Behavioral Medicine, who were also part of the Oregon Pain Center, moved with us to start our new venture. Our dream manifested itself in a group of independent businesses working together as a multidisciplinary pain management team in one location.

Today our team includes my practice, Pain Management Partners, physical therapy, psychology, chiropractic, mammography, acupuncture, message therapy and a community room that provides public classes in hypnotherapy, meditation, Feldenkrais®, Nia, yoga, tai chi & more to come.

With creative like-minded health professionals, we have established a cutting-edge model in Lane County for the treatment of chronic pain, while providing the best possible care and choices for those people experiencing chronic pain. Visit our website at: www.oregonpainmanagement.com
