**BEST NEW BUSINESS**

2. **Red Cane Theatre** 1075 Chambers. 556-4524.
3. **Brails Espresso** 1689 Willamette St. 513-0341.

Did you notice how many categories this budding local brewery was a finalist in? Best bar grub, best place to drink in the sun, best brewery, best burger, best new restaurant and, finally, best new business. As far as we can recall, that's a Best of Eugene record! Falling Sky is a hit because it's hard to decide which is better, the beer or the food. Luckily, the choice isn't mutually exclusive. And after less than a year in business, Falling Sky is already expanding.
