Employment First — Success begins with you

Employment First is a statewide initiative to help create opportunities for adults with developmental disabilities to secure appropriate and meaningful employment.

Carolyn had a dream of obtaining community employment that was not associated with a day program. With the help of a dedicated advocate, Carolyn was able to see her dreams fully realized as an independent representative of Avon. Carolyn has a flexible schedule and has learned a number of customer service skills which she has transferred into a new job where she will be delivering household supplies and foodstuffs to various houses in the Eugene-Springfield area.
