Sweet Creek Foods

If you are looking for a locally made, yummy useful gift, Sweet Creek Foods offers their quality made products at your local natural foods stores. All of their products are made with locally grown organic produce. The albacore tuna is sustainably troll caught from off the Oregon coast. It is hand packed and only cooked once in its natural juices, so it's high in heart healthy omega-3 oils and OH SO GOOD! They have an array of products including five different enchilada sauces, fruit spreads, salsas, pickles, and relishes, pickled beets, pickled jalapenos and albacore tuna. Great for a gift basket or just wrap up a jar, it's a gift you know everyone will use. Sweet Creek Foods is a family-run, locally owned and operated business in Elmira, Oregon.

55 Gallon Compost Tea Brewer

Gardeners all know compost is terrific stuff. But there's something even better than plain old compost, and that's compost tea. As the name implies, compost tea is made by steeping compost in water. It's used as either a foliar spray or a soil drench, depending on where your plant has problems. Vital Organics Northwest has developed a 55 gallon brewer based on years of experience. We will supply you with our favorite recipe for bringing vitality to your gardens.
