

WHAT'S HAPPENING

"I have a dream that my four little children will one day live in a nation where they will not be judged by the color of their skin, but by the content of their character." These are the iconic words of **Martin Luther King Jr.**, the civil rights champion who our nation celebrates every January. Though, tragically, Dr. King was gunned down on April 4, 1968, the words of his legendary "I Have A Dream" speech have lived on to become some of the most memorable — and powerful — words ever uttered on a public stage. May we all remember those words, and prosper with the notion that civil disobedience can work. All you need is a little faith and the American dream at your back. Happy MLK Day!

Martin Luther King Jr. Day 2013 is on Monday, Jan. 21.
