It's not often that you meet a feline dog-lover. Ginger may be keen on canines, but the fact that she's declawed means that any dog she lives with would have to be just as sweet on her. The bobbed tail that she wags when feeling frisky could prove too tempting for a stick-obsessed retriever! Ginger is cat-friendly too. If you've been looking to add a fluffy five-year-old to your menagerie, Ginger may just be your new addition. Check our website at www.green-hill.org to see if she's still available. Beauties like her don't stay with us for long. While you're there, see all of the purrfect pets waiting to meet their new families as well as the fun events we've got lined up for you! From Easter Bunnies to comedy show funnies, it's going to be a great spring for pet lovers in Lane County!
