EW HITS THE STREETS TO CAPTURE EUGENE'S FASHION-FORWARD AFTER DARK. HERE, THEY DESCRIBE THEIR STYLE IN THEIR OWN WORDS.

**GRADY LAMBERT**, 23  
Family-inspired. This is my dad's jacket from the '80s. [His dad fell in love with his mom in this very jacket.]

**MALICHIAN DAVIS RABINOWITZ**, 26  
I steal stuff in the Bay Area. My friend made my shoes. Michael Kors was giving away these jackets at Sundance [Film Festival].

**JASON CRONK**, 33  
I'm English. I'm just a fucking giant white guy; I get my clothes wherever I need to.

**TONY SANDIFORD**, 50  
Gentleman dancer. Motown smooth.

**JESSICA LEIGH**, 24  
'80s glam meets Audrey Hepburn. And some grunge.

**AMANDA LEBLANC**, 25  
Eclectic decoration. I combine colors to match my aesthetic. [LeBlanc made her wig.]

**CINDY HAU**, 21  
Cheap, trendy, whatever.

**ORIANE MARIE**, 24  
**MIRA HIRVONEN**, 24  
Marie — psychedelic Finnish. Hirvonen — whatever feels comfortable.
