Make friends and find connections while learning real skills at Trackers Earth. Learn the ways of stealth and the forest, the how of survival, the when and what of wild plants. Explore the wilderness with a bow in your hand, or fish the plentiful waterways with friends at your side.

We do.

Master Magic in our School of Magic camps, quest for adventure in our Realms of Cascadia camps. Paddle a handmade kayak, milk a goat, be a Pirate, or take up tongs and blacksmith your own blade!
