HELLO! MY NAME IS

Dorothy Shannon

and I would like to reintroduce myself to our community. I am a Certified Nurse Midwife, now practicing solely in general Women's Health Care. I have lived and worked in Eugene for the last twenty-four years. I delivered many babies when I first

arrived and since 1999, I have been working with women of all ages, for their gynecological needs, preventative exams, contraception, problems, and menopausal concerns. Last July, 2012, I opened my own solo practice called "Women's Health and Wellness". I have always thought that women need more time during their exam to get to know them, and for them to express their concerns. A little listening goes a long way! In our current health care system, I feel there is no time allotted for practitioners to focus on anything beyond the "problem" that the patient is being seen for. I feel very fortunate to be able to offer women the extra time they need and focus on their general well being.

In my new office, I can provide a relaxed, supportive and private environment, which is very important to me. I strongly believe in providing personalized health care for each individual because every woman is unique and has their own story. In my exam room, it is about much more than just having a Pap smear!

I believe in education and strive to offer my knowledge at each visit. I love my job!

Our new office is small and inviting. It is located at 1755 Coburg Road, Bldg. 1, Suite 2 in Eugene. Our phone number is (541) 984-3000.

Interested in writing about your business? It is now included as part of a discounted Classifieds ad package. Call 541-484-0519 for more info.
