Magic: The Gathering has been around for a good long while, and for those that hold strong, it's still a tap-able vein of glorious, otherworldly fun. It's a card game not unlike Yu-Gi-Oh or Pokemon, except with higher levels of badassery. Where anime seems to draw from a mysterious bank of hybrid monsters, Magic pulls directly from high fantasy, a la Tolkien, Scandinavian folklore and other such erudite walks, to create a cast of races, creatures and powers that blows Pikachu and friends out of the water. It always did, though, didn't it?

You can play Magic: The Gathering 6pm every Friday at Delight, 811 E. Main St., Cottage Grove; FREE.
