HELLO! MY NAME IS

Rene Huerta

I have lived in Lane County for over 40 years. During this time I have been a high school teacher, Youth Transition Specialist, restaurant owner, and Chef. My passion has always been working with kids and families, helping everyone to communicate so everyone can live in a cohesive environment.

As Neuro-Linguistic Coach, I teach clients to communicate both internally and externally to achieve desired outcomes. Using a vast array of tools, strategies and techniques from the NLP toolbox that produce quantum change at quantum speed. Feeling sad, unfocused, scared, or overall unbalanced? We can change this. Tired of being in unhealthy relationships, with friends and family? We can change this. Have grief, anxiety, phobias, illness, addiction, and aging parents, weight issues, or want to end smoking? We can change this.

I also offer hypnosis and Reiki. Hypnosis is just deep relaxation. We enter this state at least twice a day, when we are falling asleep and just before we wake up. Reiki is energy work on our bodies. Reiki really helps with illness, pain, sleep issues and relaxation.

I grew up in an abusive home. I have suffered severe abuse, thus leading to Post Traumatic Stress Disorder. I could not tolerate being in counseling for years. NLP is the first therapy that has really changed my life!! I never believed in hypnotherapy or Reiki, until I experienced it. These practices have changed my life. I am finally happy and balanced.

If you would like to live your BEST LIFE TODAY.

Call Rene [541] 517-5657. Your consultation is FREE.
