On a visit to Greenhill's Cattery, you'll notice that some of our cats' ears have square tips. An "ear-tip" is the international symbol of an altered, stray or feral cat. Ours were likely abandoned when their families moved away and left them behind, as is the case with so many of the 30,000 + free-roaming cats in Lane County. They were altered through a Trap-Neuter-Return program like Greenhills, then released with a newly-squared ear. Some make it in to shelters and for each one that is adopted, another can come in from the cold. **Terry** has been waiting for almost a year for her second chance and another is waiting for her spot in the shelter. Adopt one, save two.

Peggy and Bennett are 4 year old siblings who are super snuggly. Peggy loves to play laser pointer, feather on a stick and fetch the mouse. Bennett is shy and likes to play laser but would really rather just snuggle. If you have room for two sweet kitties who are large and in charge, stop by soon and ask to meet these love bugs.
