Lane Community College

Guest Artist!
Kneebody
(The Four Body Version!)

"There isn't a handy term or genre for the music that Kneebody creates. It's a band thoroughly acquainted with 1960s free-bop, 1970s jazz rock, 1990s hip-hop and postmillennial indie rock; along with classical postminimalism... Whatever the terminology, this group has an audience..." - New York Times
