## Why The Y @ Civic?

"The Y has proven itself not only as an essential piece of a vibrant community but also as an invaluable partner. The district benefits from this partnership, the students benefit from this partnership, and, in the end, we all benefit."

- Y Member

"The Y is a wonderful community institution that serves our children and helps them to stay healthy in this time of complete loss of resources for PE locally and unprecedented rates of child obesity nationally."

- Y Neighbor

"The Y and the school district are both here to support our kids and help them grow into responsible, healthy, engaged citizens of our community. This is a chance for (them) to work together, strengthen (their) ability to serve our kids and help keep us all healthy in the process!"
