Upon examination of **Fern's** emaciated frame the hospital staff suspected that she'd suffered from a stroke or ingested a toxin. Fern was transferred to 1st Avenue Shelter where she received intensive and extended care. Today, you'd never know that just a few months ago Fern's life hung in the balance. But saving her life is only half of our job. The other half is finding her a home. You can be part of this success story and the final destination in Fern's long journey.
