S.A.R.A.'s Shelter Animal Resource Alliance Rescued Cat of the Week

Ziva is a 6 year old beautiful tortoiseshell calico. She is a bit of a diva, as calicos can be, and loves attention when she asks for it but sometimes she just wants to be admired for her beauty. She also has a playful side and loves to play feather stick, laser pointer, and even chase a jingly ball! We learned when Ziva was spayed that she has a heart abnormality, but one of her favorite parts of the day is when she gets her Standard Process Heart supplement! She comes running when she hears the bottle open quickly gobbles it down! Don't worry though, she lives a normal life and should live long into her golden years! Stop by soon to meet this beautiful shy sweetie.
