Remember back in 1998 when Oregon was something of a trailblazer and became the second state to decriminalize medical pot? Now 20 states have legal (under state law, anyway) medical cannabis, and it's respectable enough to have a business conference at the Hilton. The state of the industry will be the topic of the **Medical Marijuana Business Conference** March 30 and 31.

Anthony Johnson, executive director of the Oregon Cannabis Industry Association and a speaker at the event, says it's an exciting time to be a medical marijuana business. "Regulated commerce will provide a great opportunity to create jobs and generate revenue for our state in the medical cannabis industry as well as set the foundation for cannabis commerce for all adults in the near future," he says.

The Oregon Medical Marijuana Conference takes place Sunday & Monday, March 30 & 31, at the Eugene Hilton, 66 E. 6th Ave. \$349. — *Shannon Finnell*
