HELLO! MY NAME IS

Erica Williams

My passion for hair and the beauty industry has been with me since the beginning. I love to make my clients feel beautiful by connecting with each person's individual style. As a professional hair stylist I value the vision, and carefully blend my passion and artistic originality to create beautiful hair.

My career has spanned more than a decade. In that time I have mastered a wide range of techniques including long and short hair, curly hair, razors cutting and many different color techniques. I have recently started an independent salon business after working at Reflections Salon for the past 6 years. I believe in continuing my education and strive to stay in the forefront of my field. I have been trained by the best in the industry in cutting, styling, advanced color techniques and placement. I specialize in cutting edge color like ombre, melting, long lasting reds, non-brassy blonds and color correction. I use Redken, Kuene and Iso color to achieve long lasting healthy results.

It's my job to make each and every client's experience unique and enjoyable, educating them throughout the service. My clients need and desires are my main focus. I approach hair cutting akin to sculpture, creating clean lines with lots of movement. I focus on maintaining the hair's integrity while delivering a rich dimensional color palette with a keen eye for shape movement, balance and practicality; I make every effort to deliver a complete look that can be reproduced at home. I consider color to be my greatest strength, I specialize in color correction and dimensional color. I love being able to connect with people and make their inner beauty shine through.

I am now at **Bare Body Waxing and Hair Studio** nestled in an airy loft above Beppe and Giannis Trattoria near the UO campus. I value each client's time by offering a wide range of appointment times ranging from early mornings to evenings and weekends. You can view my portfolio at styleseat.com/ericawilliams10 or contact me at **1(775)870-2010**. I look forward to making your hair dreams come true.
