CALENDAR

Oregon has claim to aviation history fame as home to the Spruce Goose, Howard Hughes' famous, massive airplane. Carrying on that tradition, the Oregon Aviation Historical Society (OAHS) is flying ahead to celebrate historic planes and cars with its first **Cottage Grove Wings and Wheels Show**, where local planes from Creswell, Elmira, Springfield and Canby will stretch their wings in an all-day display. Davena Amick-Elder of OAHS says that aircraft on display include a 1931 Buhl Bull Pup, a 1940 Luscombe, a 1929 Fleet 2 and a 1946 Fairchild 24W-46, among others. All proceeds go toward restoration projects run by OAHS.

The Cottage Grove Wings & Wheels Show is 10am-6pm Saturday, June 28, at the Oregon Aviation Historical Society, 2475 Jim Wright Way, Cottage Grove, contact oregonaviation.org@gmail.com. \$5, ages 16 & under FREE. — Amy Schneider
