At just 22, Porter Robinson has already taken the world of EDM by storm, pegging a series of number-one singles across various genres and garnering recognition as one of the most exciting producers of electronica. Robinson — a native of Chapel Hill, North Carolina, who began creating music at the age of 12 — earlier this month dropped his full-length debut, ***Worlds***, a series of tracks that seed the future with a sonic cloud of squelchy halts, machine bleeps and orchestrated swirls of computerized angularity. This is music for the post-human matrix, where sweaty bodies collide as they seek impossible union with beams of light and pixilated ecstasy, and Robinson does it well.

Porter Robinson plays with Giraffage & Lemaitre 8pm Monday, Sept. 1, at McDonald Theatre. \$25 adv., \$30 door.
