

**Freddy and Francine** is the harmony-filled Los Angeles duo of Lee Ferris and Bianca Caruso. After meeting as cast members in the flower-power rock opera *Hair*, they began writing and recording songs together. In 2009, the two released a first album, *The Briar Patch*, followed by *The Forest and the Sea* in 2010. Musical theater careers have kept them on hiatus for the past four years, but now they're back with guitar, microphone and goosebump-inducing vibrato.

Freddy and Francine play 8:30pm Thursday, Nov. 13, at the Axe and Fiddle; free admission.
