Shelter Animal Resource Alliance

Rescued Cat of the Week

Gonzo is a special guy who just needs to be understood. He loves to play and run, but was rough-housed with when he was a kitten and is easily overstimulated. Gonzo loves to be outside, BUT he is not smart enough to do so as he has no concept of danger and has been attacked in the past requiring surgery. He does well in an outdoor enclosure and needs a family that is willing to work to keep him safe. Gonzo will make a great addition to a family that will look at him as one of their children and not just a pet.

Severe dental problems weren't the greatest of **Stewie's** worries. Vulnerable to disease and parasites, a homeless cat can meet his death in winter. But **Stewie** got lucky; he was picked up and delivered to 1st Avenue Shelter by a Good Samaritan. Now after dental surgery to remove teeth that were causing him pain, he rests easily amidst cushions and warmth. No one should need luck to simply stay alive. **Stewie** is one of thousands of cats in Lane County that were once cherished kittens but later find themselves fighting to survive on the streets. Show them that they are still worth cherishing, adopt a cat today. And when you adopt one you help two – the one you take home and the one who takes his place in the shelter.
