

GOAAAAAL!

Kickin' it with Lane United

Soccer fans, it's time to get stoked for the kickoff to Lane United Football Club's 2015 season, which opens Friday, May 8, with a home match at Willamalane Center against South Sound FC. The following day, May 9, fans can see the players up close – including new roster additions Will Seymore and Christian de Luis – when Lane United hosts a "Meet the Players Day" at Oakshire Public House (207 Madison), starting in the afternoon at 12:30 pm. "This is an opportunity for both players and fans to get to know each other off the field," says LUFC head coach John Galas. Don't miss this chance to cheer on the team as they head into a new season of football!
