

CANNABIS, LLC and **OREGON'S HERBAL REMEDIES, LLC** are proud to announce that we will begin serving the greater public on October 1st. Recreational cannabis will be available to all buyers over the age of 21 at both of our retail outlets.

We are excited to serve the greater public, but we are also committed to maintaining the quality of our patients' experience by ensuring privacy and ease of access to their medicine. In order to accommodate the inevitable increase of traffic that accompanies recreational sales, we are doubling up on staff and all of our Points of Sale. This means that the staffing in medical areas will remain dedicated to OMMP card holders. We are working hard to ensure medical and recreational sales should be free flowing and smooth for everyone involved!

We at **CANNABIS, LLC** and **OHR, LLC** in conjunction with **FLOWR OF LYFE** are also proud to announce that we will be donating a portion of our proceeds on Oct. 1st to Families Against Mandatory Minimums (FAMM), an organization leading the continued campaign to reverse draconian mandatory minimum sentencing laws that are tearing families apart in less progressive areas of our country.
