**For Medical Marijuana Card Holders Only:  
EDIBLES, VAPE PENS, CONCENTRATES**

When recreational marijuana sales officially started on October 1, many medical marijuana patients expressed concerns that there would be new competition for the medicine they've come to rely on.

For many patients the higher potency vape pens, edibles, and concentrates have been the most effective cannabis remedy.

The good news is that these medical products are still **exclusively reserved for OMMP card holders**, with no competition from recreational buyers.

To see if you qualify for your medical marijuana card, contact us today, or drop by our *new location* on the corner of 11th & Chambers at 1675 W. 11th #B in Eugene.
