

**2013, 4th hottest year ever.**  
**2014, hottest year ever.**  
**2015, even hotter: hottest year in 4000 years.**

Oregon: We have a problem, and I need your vote to help fix it.  
Let's get to the solutions—no new fossil fuel energy infrastructure,  
No new pipelines, no oil trains, get the coal out of our electricity.

**No more denial.**  
**Lets do it in 2016.**
