THE EUGENE TOXICS BOARD is responsible for policy development and oversight of the City's Toxics Right-to-Know Program, which requires public reporting of hazardous substance use by local manufacturers. There are two upcoming vacancies on the Toxics Board which the City needs to fill: one Industry position; and one Advocacy position. For the Industry position, the appointee is required to be an employee or agent of a business that reports hazardous substances under the program. For the Advocacy position, the appointee is required to have a demonstrable record of advocating for the public's right to know. The term for the Industry position begins immediately following appointment by the City Council, and will expire on June 30, 2017. The term for the Advocacy position begins on July 1, 2016, and will expire on June 30, 2019, with the option to reapply for a second three-year term. Applications must be submitted by May 31, 2016. Additional information about the Toxics Board and an online application form is available at www.eugene-or.gov/bcc.
