

Among the many musical treats here in Eugene, the **Oregon Bach Festival** always shines. This year's OBF includes the Punch Brothers with Gabriel Kahane, a blend of bluegrass, classical, alternative rock and jazz; a lecture from composer Sir James MacMillan; and Cullen Vance, who will incorporate music, storytelling and the children's book *Where the Wild Things Are* into his performance. The festival runs June 23 through July 10 at a handful of Eugene venues (with a few performances in Portland), so check out the full schedule at oregonbachfestival.com.
