

CBD for Pets

Natures Remedy for Dogs and Cats

CBD can help with anxiety, pain, arthritis and seizures. It can also reduce, and in some cases eliminate, the effects of many debilitating diseases.

The White

STRAIN: Hybrid

The White, previously known as Triangle, is aptly named as such because it is covered with so many white trichomes that the buds look like they were rolled in confectioner's sugar. Often passed over for it's lack of aroma, the White is a little known and extremely potent straight-hybrid.

THC: 24.52% **CBD:** .77% **MMD#** 51770
