

PET PHOTO CONTEST WINNERS!

Readers, you've outdone yourselves. We asked for pet photos, and did we ever receive. With more than 200 submissions, it was incredibly difficult to choose the absolute best. Let's just say there was a lot of agonizing, debating and consideration. Here are your 2016 winners, and check our Facebook page for more fluffy and adorable entries.

What is a *Veterinary Specialist?*

Much like specialists in human medicine, veterinary internists and surgeons provide a range of specialized healthcare services for your pet. Working closely with you and your family veterinarian, the veterinary specialist offers options for your pet's advanced healthcare needs.

Since 1997, the specialists at Oregon Veterinary Referral Associates have been treating pets with compassionate care.
