

# The WAYWARD LAMB

FOOD • CHEER • SPIRITS

As we celebrate Pride, The Wayward Lamb is celebrating one year as Eugene, Oregon's premier queer pub & event space.

It's been an incredible journey. From The Secret Garden Party and the I'd Tap That event to the recent generosity and support shown by our community at the vigil for the victims of the Orlando tragedy – This past year forever changed us and forever changed the queer community. Through the joy and the sorrow we're proud to stand alongside you.

The team at The Wayward Lamb is excited for the year ahead. We take pride in our space, we take pride in you, and we take pride in our diverse queer history and traditions.
