

What Does Unity Mean to Us?

Paul Biondi
Band Member

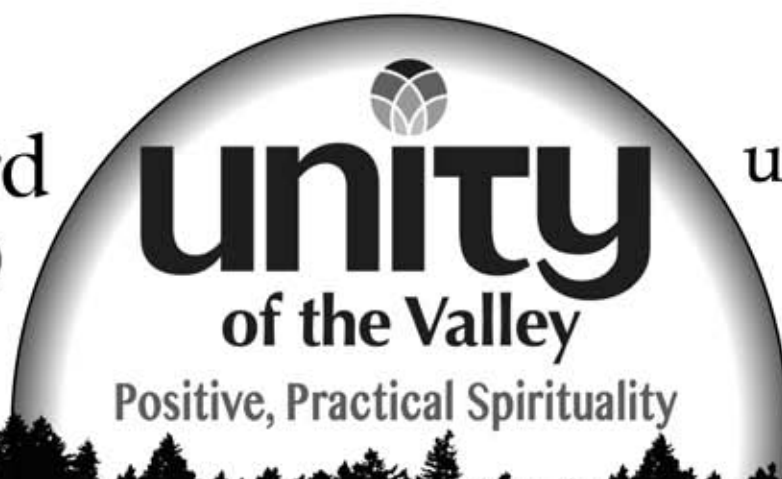

Aleiya Evison
Campus Outreach

Betsy and
Keante Priddle

- Being reminded of the *infinite potential in everyone* regardless of our differences;
- Exploring principles for living from a *universal, interfaith perspective*;
- Learning how to apply these principles for greater *wellness, prosperity & fulfillment*;
- Shining our light in the world through *inner growth & outer service*;
- Being part of a *loving, fun, inclusive spiritual center* that embraces shared leadership.
