Everybody Street

Features Skype with director Cheryl Dunn

Wednesday, October 19, 7 p.m.

Everybody Street illuminates the lives and work of New York's iconic street photographers and the incomparable city that has inspired them for decades. The documentary captures the visceral rush, singular perseverance, and immediate danger facing these artists. Featured photographers include Bruce Davidson,

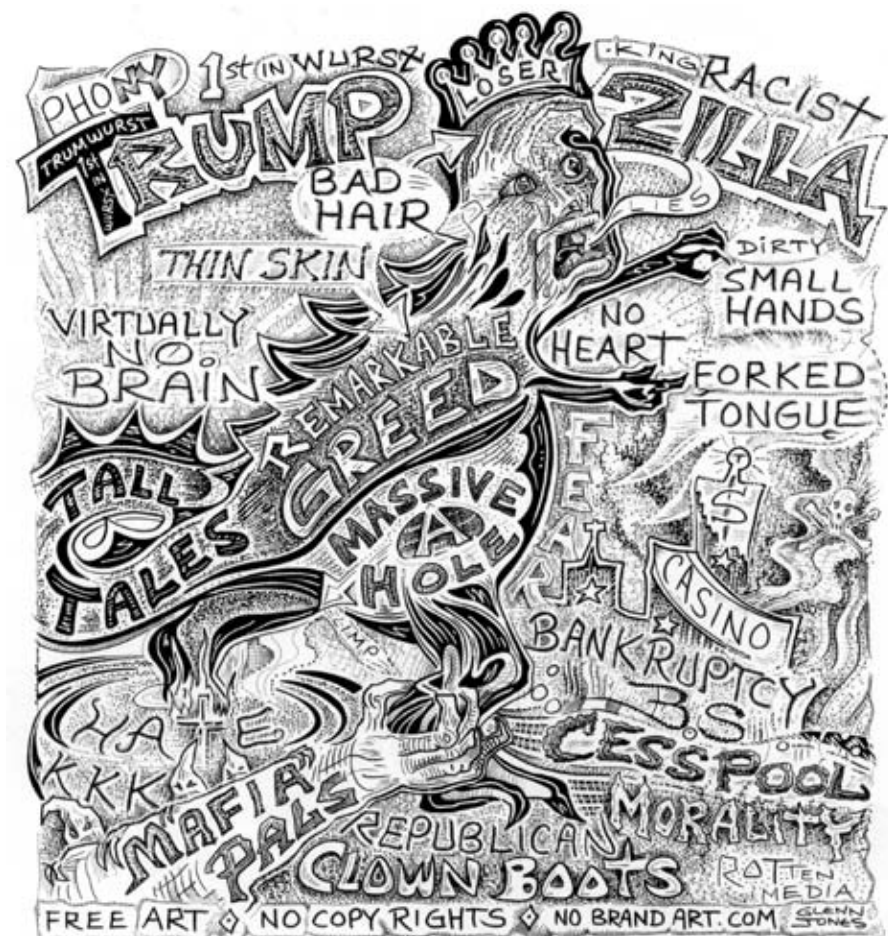

Mary Ellen Mark, Elliot Erwitt, Ricky Powell, and Jamel Shabazz, among others. Hannah Giles in *The London Film Review* writes: "Dunn (herself a renowned photographer)... obviously has a close affinity for her subject, which makes *Everybody Street* a must-see for anyone interested in photography, New York, or the challenges of documenting real life.
