A gorgeous long-haired tuxedo cat who is about 10 years old and declawed. Boots likes to follow you around and sleep by your feet, but prefers not to be picked up. He'd do best in a single-cat home without young children. With just a little patience and kindness, Boots will reward you with his trust and love.

### RIO

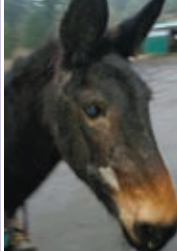

This five-year-old is a sociable, friendly, character of a cat who LOVES snuggling on laps. He's very handsome with big golden eyes and orange fur. Rio has extremely sensitive skin, so he needs grain-free food and flea control every

month, and he'd prefer a single-cat household. Can you give sweet Rio a chance at a forever home?

We saved a very skinny Eeyore when nobody wanted him at auction. We've rehabilitated him and he's now a sweetheart of a mule, about 25 years old. He loves people, and being brushed. He's got perfect ground manners and is easily led. One eye's blind but it doesn't bother him one bit. He's sound, but we haven't tried him under saddle.
