Had Enough? Local students take up to 116 standardized tests before they graduate.

- Smarter Balanced test reports arrive too late for teachers to use.
- They cost at least \$27.5 million and 2-6 weeks of instruction time.
- Studies show these tests aren't valid measures and colleges don't use them for admissions.
- Schools are pressured to teach to the test and minimize untested subjects.
- The Springfield School Board urges parents to opt-out.

Opt-Out.
Oregon law allows it.
Contact your school for opt-out forms.

Your Child is More Than a Score.

Show the giant testing corporations you know what's best for your kids.
