Eugene deployed

THREE

24-hour Advanced
Life Support
ambulances

15 years later — Emergency calls are up 65% per ambulance; Ambulances are down 25%.

Ambulances keep communities safe. And Eugene needs more deployed.

Please contact your budget committee at www.eugene-or.gov/forms.aspx?FID=112
and tell them your access to an ambulance should not be based on its ability to make money.
