Rufus

I was given a second chance, to find my forever home, through a START "Rescue Me" transport from California! I absolutely worship squeaky toys (HINT, HINT). I would do best in a home with children big enough to handle my exuberant spirit and zest for life. I'm a male, Shepherd mix and almost 2 years old.

Red

Loving, active, affectionate, single male looking for a permanent relationship. Long walks, snuggles and daily kisses could be all yours. If you would like a running/walking and jogging partner...I am your dog! I'm a male, GSD mix and I am a bundle of energy at just 2 years and 4 months. I am playful, easily excitable and full of love! I would thrive in an active home with older children.

Sunday

I get along with everyone. I am a gentle soul. I love to roll around, explore, romp and nap. I was diagnosed with liver disease when I was little, but a high quality diet and a medication that I eat with my food keeps me going just great. Won't you consider a special needs kitty like me?
