Maria Worsley
of
Medicine Farm Botanicals

Maria's focus is to bring awareness to the medicinal benefits and synergistic properties of terpenes. We will be defining 3 terms of "synergy" to better understand how to maximize terpene benefits as well as showing what scientific research has uncovered about terpenes.

Eric will be leading a discussion regarding quality control procedures and data integrity in cannabis laboratory operation. He will also have a 30 minute Q & A for any unanswered questions.
