Alien Tarantula

from Obsoul33t Genetics Group

This eye-catching strain is the perfect landrace to add to your collection, boasting a beautiful mix between the Tarantula (Kyle Kushman's Strawberry Cough x Alien Kush) and the well-known Alien Tech. This spicy and aromatic Indica Dominant strain is just the Fuel you need to relax at the end of a long day. Incredible trichomes and high potency are just a few of the highlights you can look forward to when you add this collectible to your garden.
