Delta 8 THC

(394 mg) by Herbal Tribe

*I once heard Valium referred to as "Mothers little helper."
The same can be said for Delta 8 THC.
Try before a dentist appointment or getting on a plane.*

Mendo Breath

Cultivated by Rogue River Botanicals

Mendo Breath is a rare indica dominant hybrid which has recently made a huge comeback. This highly sought after strain is created from a cross of OG Kush Breath & Mendo Montage. The hard to find bud brings on a heavy body buzz with high THC numbers. The sweet and earthy berry taste will leave you wanting to take more than just one puff.
