

The White

Indica Dominant

The potency of The White tends to be the most noteworthy trait of the strain aside from its incredible appearance of dewy white buds formed from heavy trichome coverage. Earthy pine aroma with creamy undertones. Effects: Relaxed, Happy, Euphoric.

THC: 32% CBD: .18% OLCC LICENSED

Huckleberry C.

Grown by Higher Minds Horticulture

This bud packs an insanely tasty flavor and heavy-hitting effects thanks to its super high 20% + average THC level. Sweet fruity inhale accented by nutty vanilla and a strong kick of mint upon exhale. The aroma is spicy and herbal with a floral overtone accented by fresh berries and sharp menthol.

Mr. Nice Guy

G13 x Hash Plant

It's named in honor of Howard Marks, the Oxford graduate who became one of the biggest cannabis smugglers of our time. After his time in federal prison Howard released his autobiography entitled "Mr. Nice". This indica-dominant plant has extremely dense buds with a sweet smell.
