

## THIS MODERN WORLD

by TOM TOMORROW

**HE DEFINITELY DIDN'T DO IT**  
HIS ACCUSER IS CLEARLY MAKING THE WHOLE THING UP! SHE JUST WANTS THE ATTENTION!

WHAT POSSIBLE DOWN-SIDE COULD THERE BE FOR HER? I MEAN, EXCEPT FOR THE DOXXING AND THE DEATH THREATS?

ER, YES, WELL-- MOVING RIGHT ALONG...

**OR AT LEAST, HE PROBABLY DIDN'T DO IT**  
65 WOMEN WHO KNEW HIM IN HIGH SCHOOL HAVE VOUCHERED FOR HIS CHARACTER!

WHICH IS EXTRA IMPRESSIVE, SINCE HE WENT TO AN ALL-BOYS SCHOOL!

**OKAY MAYBE HE DID IT BUT IT WAS JUST A YOUTHFUL INDISCRETION**

YOU CAN'T HOLD SOMEONE RESPONSIBLE FOR SOMETHING THEY DID AT THE AGE OF 17!

UNLESS THEY'RE POOR AND BLACK. THEN YOU CAN.

**THE DOPPELGÄNGER THEORY**  
PERHAPS SHE WAS ASSAULTED BY SOMEONE WHO SIMPLY BORE AN UNCANNY RESEMBLANCE TO JUDGE KAVANAUGH!

MAYBE A LONG-LOST EVIL TWIN!

WE CAN'T RULE ANYTHING OUT!

EXCEPT THAT HER STORY MIGHT BE TRUE.

**RUSHING TO JUDGMENT IS GOOD, ACTUALLY**

WE DON'T HAVE TIME FOR THIS! THE SENATE MUST CONFIRM HIS LIFETIME APPOINTMENT TO THE HIGHEST COURT IN THE LAND WITHOUT DELAY!

BECAUSE REASONS!

**BUT THIS IS ABSOLUTELY NOT ABOUT ABORTION**

DON'T WORRY, LADIES! KAVANAUGH SAYS ROE IS SETTLED PRECEDENT!

ALSO, IT'S TOTALLY ABOUT ABORTION.

YOU'RE NOT HELPING.

OH, THE INJUSTICE OF IT ALL

IF THIS WOMAN CAN DERAIL KAVANAUGH--NO MAN IS SAFE!

AT LEAST, NO MAN WE KNOW!

### WHERE'S THE HOUSING?

The long-fought-over EMX is now going out West 11th Avenue, and now is the time to start building workforce housing into areas not filled up with strip malls already.

I see a very few larger parcels on West 11th that could be nice apartment complexes. For example, between Garfield and City View there's a large lot near the Oregon Department of Human Services. Why not do something there? What exactly was the point of putting EMX out there, if not to encourage workforce housing and use of bus transport?

I'm not talking "affordable housing," a nebulous term. I'm talking simple, well built and efficient housing that lasts for 50 years. It can be done. Where are your developer "friends of city hall" who could, just once, build something useful and not make a killing on it?

You all have been very lax in pressuring them to do something good for this town, without a reward. It does get old, you know.

There also is a huge lot available at the Four Corners intersection (Roosevelt and Hwy 99W at the northwest corner) that would be a great location for workforce housing. Plenty of bus service, too. Why is nothing happening?

### 'NO' ON MEASURE 105

Measure 105 seeks to repeal Oregon Revised Statute 181A.820. This statute forbids state agencies, including law enforcement, from using state or local resources to detect persons whose only crime is that they are in the United States unlawfully.

Undocumented persons who commit crimes are not protected by this statute. This statute arose following a 1977 case where Polk County Sheriffs, at the direction of Immigration Naturalization Service agents, publicly berated Delmiro Trevino, a U.S. citizen of Mexican descent, to see proof that he was lawfully in the United States.

One major reason for voting "no" on Measure 105 is premised in the Fourth Amendment of the U.S. Constitution. Under that amendment, an officer can stop, pat down and question any person, so long as the officer is able to articulate facts that produce a rational inference that a person has committed a crime.

This, then, raises some concerns. It is important to ask yourself, since unauthorized presence in the United States is a crime, if Oregonians vote "no" on Measure 105, will a police officer be able to articulate a rational inference of illegal presence based on your appearance, like in Mr. Trevino's case?

Or what if you're speaking Spanish, like the two women who were stopped in Montana by a border patrol agent?
