GET WINTER-READY

Are you ready for an emergency power or water outage? Curious how EWEB is preparing our electric and water systems?

EWEB Open House

Tuesday, October 16, 2018 from 5 – 7 p.m.
Eugene Water & Electric Board
500 East 4th Avenue, North Building

Stop by for practical information on preparing for winter, including the possibility of extended power or water outages.

Get tips for winterizing your home and storing emergency water. **Hear about** EWEB's resiliency projects including emergency water sites. **Learn how** you can stay cozy this winter while saving energy and money with our incentive programs. **Find out** how EWEB is modernizing systems to help build a more resilient community. **Meet** your utility commissioners and managers. Emergency preparedness door prizes and light refreshments offered.
