such portion of the principal as would not then be due had no default occurred, by curing any other default that is capable of being cured by tendering the performance required under the obligation or Trust Deed and by paying all costs and expenses actually incurred in enforcing the obligation and Trust Deed, together with the trustee's and attorney's fees not exceeding the amount provided in ORS 86.778. **NOTICE REGARDING POTENTIAL HAZARDS** [This notice is required for notices of sale sent on or after January 1, 2015.] Without limiting the trustee's disclaimer of representations or warranties, Oregon law requires the trustee to state in this notice that some residential property sold at a trustee's sale may have been used in manufacturing methamphetamine, the chemical components of which are known to be toxic. Prospective purchasers of residential property should be aware of this potential danger before deciding to place a bid for this property at

the trustee's sale.
