Local Honey

These varietal honeys come from family apiaries right here in Oregon. We currently offer 12 unique Oregon honey varietals, each one expressing a different flavor and color that comes from a distinct floral source. Nothing is ever added to our honey—it is simply pure, raw, unfiltered, and delicious. Find Hummingbird Wholesale honey at local natural grocery stores such as Sundance, Capella, and The Kiva. To select from our full honey line, and explore more holiday ideas, stop by our storefront Monday-Friday, 8am-4pm.
