ATTENTION & OPPORTUNITIES

Have experience working with complex systems or supply networks? Join the Egan Warming Center logistics committee and help this off-season to review EWC communication, supply and delivery systems and make improvements where we can. We absolutely need 1-2 folks who would tackle the role of Logistics Coordinator(s) and work with the Director and with people from each site who are responsible for

transport, food, blankets and other supplies. Filling this position is a top priority. EWC also is in need of Medical and Behavioral Leads. Perhaps you have medical training or CPR and would like to help? Or, are you comfortable with de-escalation, familiar with trauma-informed care, and/or working with people with mental or behavioral health issues? EWC is still in need of a permanent Springfield Site. If you have any connections in Springfield that might be able to help us, please help us connect with them. Reach out to info@eganwarmingcenter.com to get in touch! Otherwise, stay tuned for volunteer orientations this fall to join us in providing warmth and comfort during the cold season!

St. Vincent de Paul this month begins its annual Backpacks for Back to School Drive, now more than a decade old. Obtaining school supplies is difficult for low-income families who have to concentrate on rent, food and other necessities. So blue barrels will be near the exits of Eugene/Springfield Bi-Marts, all branches of Oregon Community Credit Union, all Eugene/Springfield outlets of Fred Meyer's and all outlets of St. Vincent de Paul thrift stores and donation centers. Workplaces and faith communities that would like to host a school supply barrel for the remainder of August should contact Sarah Firth, SVdP's community engagement coordinator, at 541-743-7119.
