We Need Your Help Building a Sustainable World.

Buildings are getting smarter and more energy efficient, but the US doesn't have enough people who know how to keep them that way.

We are training the energy efficiency and building controls experts of the future. The industry offers satisfying work, great pay, and job flexibility.

Are you a problem solver?

Apply to the Building Energy & Controls Apprenticeship and get paid as you learn.

CITY OF EUGENE BOLD STEPS

Is your business a sustainability leader?

Apply for the The Mayor's Bold Steps Award:
Celebrating Eugene-based businesses operating with a triple bottom line approach.

NEW this year! Businesses will compete in two separate award categories based on business size.

Winners receive print media advertising, professionally produced finalist videos, and promotion by the City of Eugene on social media.

Apply for the Bold Steps award today!
